INDEMNIFICATION

3.25150 DP

The decision whether to provide indemnification will be made by the Board of Trustees upon recommendation of the chancellor. As a condition of receiving indemnification, an employee must:

- 1) give prompt notification of a claim or action to the chancellor's office;
- 2) permit the district to select legal counsel to defend the claim or action;
- 3) cooperate with the district and its designated legal counsel in the defense of the claim or action;
- 4) refrain from making any public statements, oral or written, regarding the claim or action without permission of the chancellor or legal counsel; and
- 5) refrain from entering into any settlement or compromise of the claim or action without the prior approval of the chancellor.
