Clinical Experience II

CR.HR. 4  LECT HR.        LAB HR.        CLIN/INTERN HR.  16  CLOCK HR.        

CATALOG DESCRIPTION
This course is a continuation of the student’s clinical experience with emphasis placed on the application of principles and procedures of four-handed dentistry in general and specialty private practices as well as laboratory and clinical support functions.

PREREQUISITES:
DENA 108, DENA 110, DENA 115, DENA 205

EXPECTED STUDENT OUTCOMES IN THE COURSE (ESO)
Upon completion of this course, the student will be able to:

1. Apply classroom and laboratory principles and acquired skills in dental assisting to a general and specialty practice setting, in order to develop competency in dental assisting procedures.
2. Apply knowledge of instrumentation, tray set-ups and procedures relating to the general and specialty areas of dentistry.
3. Demonstrate professionalism and good communication skills in the workplace to include but not limited to; appropriate dress as dictated by the clinical site, timely and consistent attendance and good eye contact.
4. Demonstrate the ability to follow instructions, adapt to various clinical routines, and accept constructive criticism.
5. Demonstrate behavior consistent with the Principles of Ethics of the American Dental Assistants Association.
6. Use proper dental/medical related terminology in daily communication and in the application of dental office procedures.
7. Employ OSHA regulations related to handling sharps and infectious materials.
8. Demonstrate efficiency in application of the principles of four-handed dentistry to increase the productivity of a dental office.
9. Use office emergency procedures, as circumstances require.
10. Review Medical/dental health histories and apply precautionary measures of protection for patient and staff.

RAL EDUCATION OUTCOMES (ESO)
Specify which general education outcomes, if any, are substantially addressed by the course. Numbers in parentheses identify the Expected Student Outcomes linked to the specific General Education Outcome.
