Two mathematics courses appropriate for middle level teachers.

The Secondary major will be accepted as the area of concentration for middle school teacher certification with the following stipulations: Math majors must take MAT 440 and MAT 441.

Secondary degree candidates wishing to have Middle School certification must take their junior level experience (Phase 111) at the middle school level *or* take MED 389.

Total Credits Required 124

Major Field of Study:

The Department of Education lists criteria for admission to the Teacher Education Program. Secondary Education majors are available in the following fields: art, English, French, music, Spanish, and speech and theatre. For teacher education in the areas of biology, chemistry, mathematics, physical education, and social sciences please contact the specific department for requirements and options.

Secondary Missouri teacher certification is available for grades 9 to 12 in most academic fields. In art, music, physical education, and foreign languages, certification is available for kindergarten to grade 12. Students must have a grade-point average of 2.5 on a 4.0 scale in their major.

This agreement is currently under revision. Please see an advisor or check our website (www.mcckc.edu) for the most current agreement. 1/18/2008
