The amount of this bookstore credit could change if you add or drop a class.

Any bookstore charges you make using this credit will be subtracted from your financial aid check.

Financial Aid checks WILL NOT be available on the first day of class.

If you have an award letter in myMCCCKC - Student Center by May 21st, any financial aid refund will be direct deposited in your bank account or a check mailed to the mailing address MCC has on file starting June 17th. **3**
