RAVE Guardian
Mobile Safety App

Free Download from Rave Mobile Alert System. The RAVE Guardian app offers MCC students and employees expedited access to emergency services and resources.

APP FEATURES

- Virtual escort allows you to invite friends, family or MCCPD to monitor your journey from one place on campus to another

- Monitored by MCCPD Communications 24/7 (Officers will respond on-scene if necessary)

- Chat live with the MCCPD

- Emergency call panic button which dials MCCPD directly

- Non-emergency call line

- Text safety concerns to MCCPD

- Call directory providing direct numbers to hotlines and emergency services (National Suicide Prevention Lifeline, Poison Control, MCC's Information Center)

- Important information on MCC and campus safety (MCCPD website, inclement weather protocol, emergency response plan, police email, online directory and campus maps)
