Special thanks to our guest performers —The Sacred Arts Chorale

The **SACRED ARTS CHORALE** is one of three major initiatives of Central Seminary's Shawnee, Kansas based Sacred Arts Institute. As a center for the interdisciplinary study and practice of worship and the sacred arts, the Institute equips music and ministry leaders in understanding the religious roots and contextual applications of sacred arts and worship. In partnership with the UMKC Conservatory of Music and Dance, Central's Institute for Sacred Arts offers a Graduate Certificate in Sacred Arts designed for music and theology students committed to the pursuit of excellence in the artistic dimensions of faith and worship. Supplementary to the Graduate Certificate and the Chorale, the Sacred Arts Institute also sponsors a monthly Sacred Arts Recital Series that features regional artists in their creative exploration of incarnations of the sacred through the arts. The Chorale's gifted vocalists promote innovation and excellence in service to the sacred traditions, practices, and liturgies of contemporary worshipping communities.
