

**MCC-Blue River Campus
Spring 2025 Final Exam Schedule
Tuesday, May 13 – Monday, May 19, 2025**

1. District Procedure 6.10011 GRADING STANDARDS, COURSEWORK AND FINAL EXAMINATION states: A final examination or a final component of the course grade will be given in each course. Final examinations or a final component of the course grade will be scheduled and administered by the instructor of the course. In the event that a student does not complete a scheduled final exam or final component of the course grade, the instructor may record an “F” or an Incomplete for the student grade. The instructor may also allow the student a make-up opportunity for a final exam or final component of the course grade in the event of extraordinary circumstances.

2. Last day of Instruction:

- Day Classes: Monday, May 12, 2025
- Evening Classes: Monday, May 12, 2025

3. Examinations for classes with laboratories are scheduled by lecture hours. Two (2) hours are allowed for the final exam.

4. Students who have previously indicated physical or learning disabilities which require extended testing time must be allowed that same extension for finals. Specific questions on appropriate length of testing time may be addressed to the office of Disabilities Support Services.

5. Students who have a conflict in examination times or have three (3) or more exams scheduled on the same day may arrange to reschedule one of the exams with the permission of the instructor.

6. HOW TO READ THE FINAL EXAM SCHEDULE

- The first column lists the day the class meets.
- The second column lists the time the lecture portion of the class starts.
- The third column lists the day and time that your final examination will take place.

***Please read this carefully.** Class start times in the finals schedule tables below are for **lecture** start times. If you have a class that has both a lecture and a lab look for the day(s) and time when your lecture starts. If your class does NOT meet for your lecture and only meets for your lab, or is a lab-only class, then look for the day(s) and time when your lab starts.
