Metropolitan Community College

Commencement 2026

A Message *from the* MCC Board of Trustees

Dear MCC Friends and Family,

On behalf of the Metropolitan Community College Board of Trustees, it is an honor to welcome you to the 2026 commencement ceremony.

Today we celebrate not only the achievements of our graduates, but also the encouragement, sacri ce and support you provided along the way. Your presence helped make this milestone possible.

As our graduates step forward into new opportunities, careers and continued education, they carry with them the foundation built through your guidance and the education they have received at MCC.

Thank you for being part of this important day and for entrusting us with a role in your graduate's journey. We are proud to celebrate this moment with you.

Sincerely,

Ellen Martin
President, MCC Board of Trustees

A Message *from the* Chancellor

Dear MCC Friends and Family:

On behalf of the faculty, staff and administration of Metropolitan Community College, it is my pleasure to welcome you to the 2026 commencement ceremony.

No matter where your graduate started or the unique path they traveled to arrive here, reaching graduation is a testament to their perseverance and hard work and to their community who supports them. Your graduate set a goal, put in the effort, and earned their certifica e or degree. Now it's time to celebrate!

There will be countless bittersweet, final good yes exchanged today, yet commencement remains my favorite day of the year. It's the perfect time to look back and refle t with gratitude and satisfaction at all that was accomplished, and look forward with invigorated hope toward the prospect of all that lies ahead.

All the best,

Dr. Kimberly Beatty
Chancellor and CEO, Metropolitan Community College

COMMENCEMENT STUDENT SPEAKER
afternoon ceremony

Havannah Jolly – One of the greatest challenges in life for many students is figu ing out what to do for a career, and that path is never straight forward. That was true for Havannah Jolly, who said she "just kind of did little things for, I think, four years" before starting at MCC. She eventually explored careers in the medical field because s e likes helping people and it's stable.

Havannah earns her associate in applied science in physical therapy assistant degree from MCC-Penn Valley Health Science Institute. It is bitter sweet for Havannah as she prepares to graduate and begin the next chapter because "I love school so much. I feel like I thrived in school," says Havannah. "My teachers are amazing. I did not think I would do as well as I did, academically."

Continuing to work within education may be in her future. Next steps for Havannah are working in a hospital and continuing to grow in her field y earning certifications, a d eventually, "I want to become a clinical instructor," says Havannah. "Because of the [hospitals] who take students, like myself, and to teach other students how to do this."

As Havannah stands before the MCC Class of 2026, she is proud to be the fi st person in her entire family to graduate from college and earn a degree. In her commencement address, she hopes to convey that it doesn't matter what path you took to get to MCC or what timeline you're on in your life because it was the right time and the right path for you, and that's what matters.

COMMENCEMENT STUDENT SPEAKER
evening ceremony

Qadria Qarizada – Growing up in Afghanistan, Qadria Qarizada imagined her life like many young girls of her generation, earn an education, get married and settle down with a family. That all changed in 2021 when the Taliban took control of her country. Qadria and her family were able to relocate to the United States, leaving behind their extended families. As the new Taliban law states, girls and women are no longer allowed to attend school and earn an education, which also meant she no longer had access to education records that once existed.

Starting over in a new country is hard, and it also means starting her education over again too. As her four children were getting older, she told her husband, "I need to go to college because now I'm seeing a lot of women in Afghanistan and girls who are not allowed to go to college."

As a part-time student, Qadria earns her associate in arts degree from MCC-Blue River. "MCC gave me an opportunity to start my college," says Qadria. "It was my fi st experience in a US college, and I'm really grateful for my teachers and advisor. I have great memories here." She will continue her education at UMKC beginning this summer, earning a bachelor's degree in computer science with a cybersecurity emphasis and has an ambition of going to law school.

Today, as Qadria addresses her fellow graduates, she stands before you as the fi st female in her family to graduate from college. The main point in her address is to say "don't give up, never give up and don't take for granted the access we have in this country because for some people, it's only a dream for them."

MCC Foundation Distinguished Alumni Award

Vu Nguyen – *Metropolitan Community College-Maple Woods, Class of 2007*. Vu Nguyen, professionally known as Vu Radley, is the co-founder and creative director of MADE MOBB, a Kansas City-based streetwear brand rooted in culture, community, collaboration and storytelling. Founded in 2012, MADE MOBB has grown alongside the city it represents.

Vu was born and raised in Kansas City, and he is the son of Vietnamese immigrants who came to America after the Vietnam war to give their family a chance at something more. As the fi st American-born in his family, he grew up understanding both sacrifi e and opportunity from an early age. Growing up with limited means, he learned to be creative with what he had. Watching his parents, he learned the value of hard work and discipline. Their sacrifi es made it possible for him to pursue his own version of the American dream.

Vu began his college journey at MCC- Maple Woods through the A+ Program, he earned his associate in arts degree tuition-free. While completing his general education requirements, he gravitated toward courses in art, photography and design. This laid the groundwork for what would come next. After taking time away from school to work, he returned two years later to continue his education at the University of Missouri-Kansas City, where he completed his bachelor of studio arts degree, and developed the skills that would lead to creating MADE MOBB.

Today, MADE MOBB has grown into a staple of Kansas City's creative scene, collaborating with major teams, brands and local organizations while staying rooted in the city that raised him. Vu was named 2024 Junior Achievement of Greater Kansas City Business Hall of Fame Laureate, recognizing his entrepreneurial success and his work with youth.

MARK LAUNIU – *Metropolitan Community College-Longview, Class of 2011*. Mark Launiu, is the co-founder and co-creator of MADE MOBB. He was born in American Samoa and raised with values rooted in humility, faith, hard work and a deep sense of community. His move to Kansas City expanded his perspective on opportunity, identity and the importance of building something greater than oneself, principles that continue to shape his leadership, service and commitment to others.

In 2011 Mark earned an associate of arts from MCC-Longview. "It's like everything was intentional [at MCC], from the relationship with people you're around every day to the professors," says Mark, "it taught me to be intentional about all the relationships we've built."

Mark and Vu's vision for MADE MOBB extended far beyond a clothing brand. It has become a platform that refle ts the spirit of the city while fostering connection and purpose, including partnerships with the Kansas City Chiefs and the Kansas City Current, community-centered events, youth engagement, and creative spaces that support entrepreneurs, artists and small businesses.

Mark's impact has been recognized through numerous honors, including Samoan Business/Entrepreneur Award of the Year in 2023.

MADE MOBB was one of fi e local businesses named Urban Heroes by the Downtown Council of Kansas City, refle ting its impact on the city's culture and community. Beyond accolades, Mark and Vu continues to push MADE MOBB forward while staying committed to the community and the next generation.

MCC Foundation Distinguished Alumni Award

COUNCILWOMAN LINDSAY FRENCH – *Metropolitan Community College-Maple Woods, Class of 2002*. Councilwoman Lindsay French is a lifelong Northlander, who graduated with an associate of arts degree from MCC-Maple Woods in 2002. She subsequently earned a bachelor's of fi e arts in visual communication and design from the University of Kansas.

Since the age of three, Councilwoman French has lived in the southern portion of Clay County and that is the district she serves today. "To be able to really know your neighbors and to really serve your neighbors, to be really involved in all aspects of the Northland, the schools and the communities, and just knowing that so well from growing up [in the Northland] is really wonderful," says Councilwoman French.

As a visual communications designer, she started her career in a landscape architectural fi m. Through her work, she became passionate about urban design and long-term strategic urban planning. "As a designer looking at that big picture that big vision of just how things come together and then knowing that community engagement is a really big part of [urban planning]," says Councilwoman French inspired her to run for public service. During that time as a designer, she developed strong relationships with communities, leaders and organizations throughout the city.

"As an urban designer knowing transportation and transit-oriented developments and knowing civic and public engagement, why not bring that to City Hall and fold that into policy," says Councilwoman French. "I'm able to get these projects … that they want sidewalks, curbs and gutters from when I was a kid. Now I get to go back and I get to do that for a neighborhood that I grew up in."

Councilwoman French has been appointed to serve on the Transportation, Infrastructure and Operations Committee of the City Council as well as the Homesteading Authority and the MARC Total Transportation Policy Committee, and additionally serves on the Board of Climate Action KC.

When she is not at City Hall, Councilwoman French is a wife of an MCC-Maple Woods graduate and a mother of two Park Hill School District students, one of the which is currently enrolled in college dual credit course at MCC-Maple Woods as a high school sophomore.

"Just having her on-campus and just remembering myself being on-campus, it is very surreal and a very proud feeling," says Councilwoman French. "It's really full circle."

Her advice to the MCC class of 2026 is something she learned while at MCC after she didn't do as well as she expected on an exam. Her professor told her that she didn't show her work and she didn't show the process. "That really ingrained in me as a lifelong lesson," says Councilwoman French. It's "how I tackled things going on with my studies and within my future studies, within life, within my career, within running for council, is that you don't always jump to the end game, you don't just think you know the answers. You have to show your work and the trust the process."

A Message *from the* Foundation Board of Directors

Dear MCC Friends and Family,

Welcome to the 2026 commencement ceremony. Today we celebrate the remarkable achievements of our graduates.

At MCC, we believe education has the power to transform lives. The MCC Foundation is dedicated to ensuring that every student who seeks an education has the opportunity to pursue a path forward. As your graduate joins our alumni community, we invite you to remain connected to MCC that has played a role in shaping their future. Many families choose to honor this milestone by supporting the MCC Foundation, helping to ensure that future generations have access to the same transformative opportunities.

Your continued engagement and generosity strengthen the legacy our graduates now carry forward.

Thank you for being a part of our MCC community.

Best wishes,

Beth Soukup

STAND UP & BE COUNTED

On behalf of the Metropolitan Community College Foundation, congratulations on your achievement. It is with great pleasure that we welcome you to a group that is thousands of people strong. Since 1915, we've been educating Kansas City's workforce. Now, you join them as another proud alumnus of Kansas City's premier educational institution. We're excited to see where your MCC degree or certificate takes you, and we hope that you'll keep in touch with us. The support of the MCC family continues well after you graduate. Our goal is to help alumni connect with one another so your ties to MCC remain strong. We look forward to providing opportunities that allow you to strengthen your bond with MCC, either in person or virtually. We encourage you to take full advantage of our programs and events, including career networking, social gatherings, faculty and staff presentations, art openings, sporting events and volunteer opportunities.

STAY CONNECTED
