BRICKS 4 KIDZ

BLACK ROCKET

METROPOLITAN COMMUNITY COLLEGE

COMMUNITY EDUCATION
MCC’s College for Kids offers enrichment opportunities for kids and teens ages 5-16 in a fun and safe environment where they enjoy educational and hands-on learning activities. The classes are designed to engage your youth in new experiences, develop new interests, teach meaningful skills and excite students about learning. College for Kids is available on all Metropolitan Community College Campuses.

Classes begin June 15

ACCOMMODATION

We will accommodate disabilities. Our Disability Support Services (DSS) offices will provide special assistance for any students with documented disabilities. To receive these services, you must inform the College of your disability one month in advance of your class and provide appropriate documentation. Please contact the College at 816.604.1000 and ask for the DSS office on your campus of interest.

Rockin Robots
Children learn about the uses of robots in our world, how they sense and move, and spend time programming robots and participating in robot relays. They discover the science of circuits and how robots use sensors to explore things around them. They build their very own working robot to take home with them!

Ages: 7-12 | Mad Science Staff | Fee: $169
Blue River | June 15-18 | 9 a.m.-Noon

Rockin Robots Plus
Campers explore, use and program robots that do a variety of jobs as they learn about the history of robot design, how sensors work, and simple programming. They participate in robot relays, mazes, alternative energy sources (solar, wind, hydrogen), and have lots of hands on time with robots. Kids will take home a circuit maze game they design and build themselves, plus a working robot! TAKEHOME: Kingii Dragon! ALL DAY CAMP!

Ages: 7-12 | Mad Science Staff | Fee: $299
Longview | July 6-9 | 9 a.m.-4 p.m.
Maple Woods | July 13-16 | 9 a.m.-4 p.m.

Eureka! The Inventor’s Camp
Creative Contraption Warning! This is a camp designed by you—the Inventor! Each day you’ll be given a series of challenges which must be overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all your mind. With a little bit of ingenuity you’ll construct catapults and forts and then lay siege, fabricate a winning Egg Drop design, construct a dancing robot and assemble a working light saber to take home. While Thomas Edison said invention is 10% inspiration and 90% perspiration, this camp is 100% fun! ALL DAY CAMP!

Ages: 7-12 | Mad Science Staff | Fee: $289
Maple Woods | June 15-18 | 9 a.m.-4 p.m.
Longview | June 22-25 | 9 a.m.-4 p.m.

3,2,1 Blastoff
This action packed week will focus on rockets and the physics of rocket flight. After learning the model rocket safety code, campers will build several different types of rockets and participate in the launching of multiple different rockets during the week long program. Children will be divided into three groups; altitude trackers, launch preparation and launchers for all rocket launches and will get the opportunity to try all three roles. ALL DAY CAMP!

Ages: 7-12 | Mad Science Staff | Fee: $289
Maple Woods | July 27-30 | 9 a.m.-4 p.m.

Claws, Codes and Comos
Spend the week with Mad Science exploring the “awesomeness” that is science! Discover how to send secret messages to your friends using special codes. Learn about your surrounding environment and how science will help us protect our planet. Explore how Newton’s laws are at work in your favorite sport. Become a young astronaut for a day while exploring the mysteries of the solar system. ALL DAY CAMP!

Ages: 7-12 | Mad Science Staff | Fee: $289
Maple Woods | June 29-July 2 | 9 a.m.-4 p.m.
Longview | July 20-23 | 9 a.m.-4 p.m.

The Wright Stuff
From the earliest flying machines to the first rocket flights, hands-on program will give children a bird’s eye view of the history and science of flight. Your child will build many different flying devices and explore the science of aerodynamics and flight with the help of Newton’s laws. Then we’re heading out of the atmosphere with a look at rockets and our galactic neighborhood!

Ages: 7-12 | Mad Science Staff | Fee: $149
Blue River | June 29-July 2 | 9 a.m.-Noon
Penn Valley | July 6-9 | 9 a.m.-Noon

Brixology
Learn about the exciting field of engineering as a Mad Scientist guides you and your team to accomplish engineering-themed projects using LEGO® bricks. Step in the shoes of an aerospace engineer while assembling a space station and delve into the physics of carnival rides, structural basics of bridges and nature’s very own engineering marvels. Tinker with LEGO® bricks during camp and build your own models to test and rebuild at home! Get into engineering the Mad Science way!

Ages: 7-12 | Mad Science Staff | Fee: $149
Blue River | July 13-16 | 9 a.m.-Noon
Clues, Crimes and Culprits
Oh NO! The Mad Science monkey is missing! Will you help us figure out where the monkey is? How he got out? And, what he is up to? Join the Mad Science crew as we gather the evidence from the crime scene, and take it back to the lab to analyze it. As the week goes on, we will use chemistry, forensic science, physics, and biology to solve the crime. Blood typing, DNA examination, and pH testing are only a few of the scientific tests our young sleuths will get to participate in. Each Jr. Mad Scientist will get a lab coat, magnifying glass, and a case notebook to keep at the end of the week.
Ages: 6-8 | Mad Science Staff | Fee: $149
Blue River | July 27-30 | 9 a.m.-Noon

Build Your Own Amusement Park LEGO® Camp
Get your ticket to ride at Bricks 4 Kidz® very own Amusement Park! Campers will build a new ride each day, learning how to make things spin, roll, turn and rock. Then they will take what they have learned to design their own thrills and challenges. Motorized models maximize the action and the fun. Each camp day includes carnival-themed games, group challenges, model building and more. All campers will bring home a personalized mini-figure at the end of the week!
Ages: 6-12 | Bricks 4 Kidz® Staff | Fee: $149
Longview | June 29-July 2 | 9 a.m.-Noon
Blue River | July 6-9 | 9 a.m.-Noon

Mining and Crafting LEGO® Camp
Minecraft® is a game about placing blocks to build anything you can imagine. At night monsters come out, make sure to build a shelter before that happens! Experience the world of Minecraft® with LEGO® Bricks in this fun engineering camp. Kids will start by crafting their shelters and some of the mobs, critters and tools using LEGO® Bricks. Students will face new challenges each day, building models and crafting key elements from the popular Minecraft® game. All campers will bring home a personalized mini-figure at the end of the week!
Ages: 6-12 | Bricks 4 Kidz® Staff | Fee: $149
Blue River | July 27-30 | 9 a.m.-Noon

Jurassic Brick Land LEGO® Camp
Are you ready for the adventure of a lifetime! Put on your hiking boots and camouflage..you’re about to enter Jurassic Brick Land! Campers will build a world that comes to life with amazing dinosaurs and other extinct prehistoric animals that roamed the earth and swarmed the seas during the Jurassic Period. Show us your building skills using our specialized project kits! Come learn, build and play at Jurassic Brick Land Camp! All campers will bring home a personalized mini-figure at the end of the week!
Ages: 6-12 | Bricks 4 Kidz® Staff | Fee: $149
Penn Valley | June 29-July 2 | 1-4 p.m.
Maple Woods | July 20-23 | 9 a.m.-Noon

Superhero Academy LEGO® Camp
Calling all SUPER KIDZ! Join Bricks 4 Kidz® for a week building Superheroes with LEGO® bricks. Explore all the caped crusaders and discover their super powers. Create a fantasy world and protect it against all the evil archenemies with custom contraptions and motorized Bricks 4 Kidz® models made with LEGO® bricks. All campers will bring home a personalized mini-figure at the end of the week!
Ages: 6-12 | Bricks 4 Kidz® Staff | Fee: $149
Blue River | July 6-9 | 1-4 p.m.

Remote Control Mania LEGO® Camp
Making it move is the name of the game at this exciting camp! Kids will love to see their creations in motion using LEGO® wireless remote controls. Each day, campers will use fascinating and challenging LEGO® components to create dynamic vehicles, inventions, machines and more. As they enjoy the
fun of building, campers will understand the basic working principles of many ingenious devices that are part of our everyday lives. This camp is loads of fun and learning for budding builder. All campers will bring home a personalized mini-figure at the end of the week!

**Ages: 6-12 | Bricks 4 Kidz® Staff | Fee: $149**

**Longview | July 13-16 | 1-4 p.m.**

### Building Is Awesome LEGO® Camp

Do you think building is awesome? How about building with Emmet and Lucy?! Then you won’t want to miss the Bricks 4 Kidz® Building Is Awesome Camp! Join Emmet, Lucy, Unicorn Kitty and Benny on a journey to stop Bad Cop and Lord Business from super-gluing the world. Campers will put their engineering skills to work as they build motorized models, 3D figure models and mosaics. They’ll love playing fun games and doing cool crafts based on The LEGO® Movie and its sequel. Whether you take an imaginary ride on Metal Beard’s ship or Emmet’s double-decker couch, be sure to get on over to Bricks 4 Kidz® where building is awesome! All campers will bring home a personalized mini-figure at the end of the week!

**Ages: 6-12 | Bricks 4 Kidz® Staff | Fee: $149**

**Longview | June 15-18 | 1-4 p.m.**
Drawing Colorful Characters!
Learn the basics of cartooning and create your own characters! Each day kids will learn techniques used in cartooning. Subjects like characteristics, features, exaggeration, action and personification will contribute to your child’s artistic advancement! Young Rembrandts students will immediately apply their new skills in every class to create their own original cartoon characters. In the camp, we will spend some time drawing styles that are influenced by popular Japanese anime and manga themes. Colorful characters with expressive personalities jump off of the page. All materials provided. **ALL DAY CAMP!**

**Ages: 6-12 | Young Rembrandts Staff | Fee: $289.00**
**Maple Woods | June 22-25 | 9 a.m.-4 p.m.**
**Longview | July 13-16 | 9 a.m.-4 p.m.**

Ocean Life Pastel
Four fun-filled days await your child as we explore ocean life as they learn to draw and color with pastels. We will create detailed, pastel compositions on each day, focusing on a different ocean-themed subject. We will draw eye-catching sea stars along the shoreline, vibrant clown fish, sea turtles with bold patterns, blue crabs, and wondrous scenes of jellyfish. Our instruction will bring remarkable results, and you will want to head to the frame shop with your child’s finished pastel pieces. All materials provided.

**Ages: 6-12 | Young Rembrandts Staff | Fee: $149.00**
**Blue River | June 29-July 2 | 1-4 p.m.**

Outer Space Art
This camp is out of this world! We will explore the topic of outer space while working in three different mediums. We’ll start off drawing spaceships and aliens while completing our drawing with color pencils. Children will learn cartoon techniques for our aliens and their ships, Blast offs, Astronauts, and moon walks! We emphasize pastel techniques and success! Please wear an old shirt or a smock to class on the last day. All materials provided.

**Ages: 6-12 | Young Rembrandts Staff | Fee: $149**
**Maple Woods | June 29-30 | 9 a.m.-4 p.m.**
(Man-Tue Full Day Only)
**Blue River | July 27-30 | 1-4 p.m.**

Draw Like the Masters
Spend time learning about and replicating some Master Artists! We will draw a variety awe-inspiring images from many familiar artistic masters, while exploring different media. Kids will create with a range of drawing media including chalk pastels. We will create a large scene reminiscent to Roy Lichtenstein's “Still Life with Figurine” from 1974. We become caricaturists and create unique cartoons of many famous artists, and we will draw a colorful goldfish bowl as Henri Matisse did in his Goldfish painting, recreate Vincent Van Gogh’s famous Starry Night, and create powerful still life full of robust color as Paul Cezanne did often in his paintings. All materials provided. **ALL DAY CAMP!**

**Ages: 6-12 | Young Rembrandts Staff | Fee: $289**
**Longview | July 27-30 | 9 a.m.-4 p.m.**

Animal Safari Adventure
Go on a Safari adventure with Young Rembrandts this summer! We will explore the exciting land and animals that inhabit Africa. We will draw a variety of animals in various scenes with different media. Explore the African Safari through the fun technique of cartoon. We will challenge our artistic talents by creating 2 large scenes – one in a graphic style filled with a variety of animals and another focused on the twists and turns of an African snake completed with pastel chalks. All materials provided.

**Ages: 6-12 | Young Rembrandts Staff | Fee: $149**
**Blue River | June 15-18 | 1-4 p.m.**

Junior Robotics and Engineering Camp
This camp is specifically designed for ages 5-8. In this camp, young engineers will learn about robotics engineering by building and coding robotic lions, monkeys and more! They will also learn about aerospace and mechanical engineering by designing, building and testing their own rockets, cars and more!

**Ages: 5-8 | Engineering for Kids | Fee: $175.00**
**Longview | June 29-July 2 | 9 a.m.-Noon**
Robot Olympics Camp
Warm up your bots – The Robo Games are here! Do you love robots and have a passion for adventure? Then this camp is for you! Build, wire and program a robot to compete in various games. Customize and program your robot to compete in a basketball competition and challenge other team robots in the ultimate Sumo Bot Battle! Learn valuable skills in coding, problem-solving, and engineering while designing your robot to meet every challenge!
Ages: 7-13 | Engineering for Kids | Fee: $175.00
Maple Woods | June 29-July 2 | 9 a.m.-Noon

Wreck It Week
Join the Wrecking Crew! Build catapults and wreck other team’s castles, design and build a bridge and test it to destruction and participate in a sumo robot battle tournament to defeat the other teams’ robots. Young engineers learn about Civil, Mechanical and Robotics Engineering and how engineers use the engineering design process to solve problems all while having fun.
Ages: 6-13 | Engineering for Kids | Fee: $175.00
Blue River | July 13-16 | 1-4 p.m.

 Camp Mythos
(CRAFTS, HISTORY AND STORYTELLING) Greek mythology has captured the world’s imagination for Millennia. Come discover some of the greatest stories ever told, and learn how to craft your very own Minotaur horns, Icarus wings, Medusa headdress and more! Lots of great design and crafting skills go into this class that makes history FUN!
Ages: 8-13 | Monarch Conservatory | Fee: $159
Maple Woods | June 15-18 | 1-4 p.m.
Penn Valley | June 29-July 2 | 1-4 p.m.
Longview | July 13-16 | 1-4 p.m.
Blue River | July 27-30 | 1-4 p.m.

From Cleopatra to Juliet
(THEATRE) Come find out why Shakespeare’s women are among the greatest and most amazing women in the history of theatre. Learn why the Bard and his creations have survived for centuries as we explore the texts of such classics as Romeo and Juliet, Antony and Cleopatra, As You Like It, Twelfth Night and MORE!
Ages: 10-15 | Monarch Conservatory | Fee: $159
Longview | June 15-18 | 9 a.m.-Noon
Maple Woods | July 6-9 | 9 a.m.-Noon
Blue River | July 27-30 | 9 a.m.-Noon

Princess Training Camp
(IMAGINATION AND IMPROV) Is your little one ready to experience the joy of being a real princess? Experience Imaginative play, problem solving, and
grace and a big dose of FUN are emphasized in this wonderful class filled with games, character creation and fairy tale fantasy!

**Ages:** 5-10 | **Monarch Conservatory** | **Fee:** $159
**Blue River** | June 15-18 | 1-4 p.m.
**Longview** | June 29-July 2 | 9-Noon
**Maple Woods** | July 13-16 | 9-Noon

**Superhero Training Camp**
**(IMAGINATION AND IMPROV)** Have you ever had dreams of being a superhero? Have you ever imagined saving the World! Come develop your own superhero, create a clever alter-ego disguise, discover your powers, traverse obstacle courses and fight for truth, justice and the American way!

**Ages:** 6-12 | **Monarch Conservatory** | **Fee:** $159
**Maple Woods** | June 29-July 2 | 1-4 p.m.
**Longview** | July 13-16 | 9-Noon

**Puppet Master Builder Part 1**
**(CRAFTS AND PERFORMING)** From finger puppets, to sock puppets, from rod puppets to advanced puppetry, this class lets kids create, build and master performing skills. Children will get to take home a host of new friends that they will get to create from scratch! Lots of wonderful techniques and skills will go into play as we learn the history of puppetry, and start to build new designs to take Puppets into the future! Includes Supplies.

**Ages:** 8-13 | **Monarch Conservatory** | **Fee:** $159
**Maple Woods** | June 15-18 | 9 a.m.-Noon
**Longview** | July 13-16 | 9 a.m.-Noon
**Penn Valley** | June 29-July 2 | 9 a.m.-Noon

**Puppet Master Builder Part 2**
**(CRAFTS AND PERFORMING)** From finger puppets, to sock puppets, from rod puppets to full size Muppet style creations, this class lets kids create, build and master performing skills. Children will get to take home a host of new friends that they will get to create from scratch! Lots of wonderful techniques and skills will go into play as we learn the history of puppetry, and start to build new designs to take Puppets into the future! Includes Supplies.

**Ages:** 8-13 | **Monarch Conservatory** | **Fee:** $159
**Maple Woods** | June 22-25 | 9-Noon
**Penn Valley** | July 6-9 | 9-Noon
**Longview** | July 20-23 | 9 a.m.-Noon

**I Love Hip Hop**
**(DANCE)** Hip hop has taken over the world, and the world of dance! Grab your sneakers and come learn some of the best hip hop moves, including breakdancing and isolations, as well as the joy of hip hop culture. Hip hop is the future of dance!

**Ages:** 8-13 | **Monarch Conservatory** | **Fee:** $159
**Longview** | June 15-18 | 1-4 p.m.
**Blue River** | June 22-25 | 1-4 p.m.
**Maple Woods** | July 6-9 | 1-4 p.m.

**Dancing with the Ballroom Stars**
**(DANCE)** Have you watched the Stars dancing on TV? Have you ever wished you could dance like them? Come learn the foxtrot, the samba, the waltz and find out if YOU have what it takes to compete! Partner dancing is the focus on this amazing class set to music from around the world.

**Ages:** 9-13 | **Monarch Conservatory** | **Fee:** $159
**Longview** | June 22-25 | 1-4 p.m.
**Blue River** | July 6-9 | 1-4 p.m.
**Maple Woods** | July 20-23 | 1-4 p.m.

**Musical Theatre Medley**
Come learn to dance and sing with the Broadway classics! From the Sound of Music and Oklahoma to the Phantom of the Opera and Frozen, learn the history of musical theatre, and get your voice and your feet involved!

**Ages:** 8-13 | **Monarch Conservatory** | **Fee:** $159
**Maple Woods** | June 29-July 2 | 9 a.m.-Noon
**Penn Valley** | July 13-16 | 9 a.m.-Noon
**Blue River** | July 20-23 | 9 a.m.-Noon
**Longview** | July 27-30 | 9 a.m.-Noon

**Movie Monster Makeup Magic**
**(CRAFTS, MAKEUP, SPECIAL EFFECTS)** Find out how the movies are brought to life! Vampires, Werewolves and Zombies, OH MY! Learn basic and advanced makeup techniques taught from the pros. How do those special effects work and look so real? Come find out and scare your family and friends with your new knowledge!

**Ages:** 6-11 | **Monarch Conservatory** | **Fee:** $159
**Maple Woods** | June 22-25 | 9-Noon
**Penn Valley** | July 6-9 | 9-Noon
**Longview** | July 20-23 | 9 a.m.-Noon

**Painting Nature and Animals**
Are you ready to take your creativity to the next level? Starting with drawing still life and moving forward to drawing and painting animals in nature,
Little Veterinarian School
In this 12 hour summer camp, students will learn to make important measurements, make assessments and perform an exam, understand the importance of proper nutrition and hydration, discuss what to do when a dog is injured, what are lacerations and proper care of stitches, how to inspect for and properly remove ticks, how to give medicine to a dog, the purpose of vaccinations, and how the body builds immunities, discuss different types of radiographs, how they are taken and how to read them, be able to name, label and explain the digestive organs, what happens when a foreign body is stuck in the digestive tract, be able to differentiate between the types of dog body language, name and label the parts of the dogs eye, and discuss dog vision, discuss what it takes to become a Vet and types of Veterinary careers.

Students go home with a disposable lab coat, plush dog, dog bandana, adoption certificate, dog bowl, dog bone cookie cutter and recipe card, gloves, mask, sutures, syringe, tape measure, vet office worksheet, ruler, dog anatomy worksheet, laminated x-ray and wax pencil, dog body language worksheet, eye worksheet and model, and a diploma.

Ages: 5-11 | Little Medical School Staff | Fee: $189
Longview | June 22-25 | 9 a.m.-Noon
Penn Valley | July 13-16 | 9 a.m.-Noon
Blue River | July 20-23 | 9 a.m.-Noon
Maple Woods | July 27-30 | 9 a.m.-Noon

Acrobatics Extravaganza
(DANCE): Flips, Turns, Twirls and Jumps! Certified Acrobat Arts instructors challenge kids to push their limits and discover all the fun. Experience all the exercise and flexibility that Acrobatics has to offer!

Ages: 5-9 | Monarch Conservatory | Fee: $159
Longview | June 29-July 2 | 1-4 p.m.
Blue River | July 13-16 | 9 a.m.-Noon
Maple Woods | July 27-30 | 1-4 p.m.

Little Medical School
In this 12 hour summer camp, students will learn about and use tools that doctors use, understand how the heart, lungs and the organs of digestion work through discussion and role playing, and be able to identify the organs of the body as well as learning how to suture, tie surgical knots and role-play surgery. Students will learn how to treat minor injuries, make a first aid kit, be able to identify the different parts of the brain and what the parts control, make a model of the brain, understand why we burp and belch, identify the levels of the spine and what the spine does, understand what a prescription is and how they are dispensed, make a bone model, and complete a skeleton sticker set.

Students will go home with a real stethoscope, disposable lab coat, practice sutures, first aid kit, "mucus", worksheets, human body and skeleton sticker sets, brain, spine and bone models, brain hat, and a diploma.

Ages: 5-11 | Little Medical School Staff | Fee: $189
Longview | June 22-25 | 9 a.m.-Noon
Penn Valley | July 13-16 | 9 a.m.-Noon
Blue River | July 20-23 | 9 a.m.-Noon
Maple Woods | July 27-30 | 9 a.m.-Noon

Painting People
It is said one of an artist's greatest challenges is painting people. Take the next step in your evolution as an artist by studying the human form. Life models and first-class instruction help children learn how the body moves and how to capture their vision on paper and canvas. From gesture drawings to painting, students who are ready for the next step will excel in this class! Includes Supplies.

Ages: 8-13 | Monarch Conservatory | Fee: $159
Longview | June 22-25 | 9 a.m.-Noon
Penn Valley | July 13-16 | 1-4 p.m.
Maple Woods | July 20-23 | 9 a.m.-Noon
Blue River | July 6-9 | 9 a.m.-Noon

Make Your First Video Game!
Create your first platformer video game using characters that you choose! If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, challenge levels, graphics, sounds, and simple coding are just some of the concepts that we’ll explore. No prior experience necessary, just a desire to have fun.

Ages: 8-14 | Black Rocket Staff | Fee: $149
Maple Woods | July 13-16 | 9 a.m.-Noon
Longview | July 13-16 | 1-4 p.m.

Bricks and Sticks Stop Animation
Take your stop motion movies to the next level. Create a story with Stikbots, LEGO®, action figures or all three! Watch your story come to life using special stop motion software that allows you to add special effects and go beyond the typical software on a mobile device. Students will need to bring their own figures, stickbots, and LEGO®s from home, but all other equipment will be provided. Students will work in pairs or teams for most of the program.

Ages: 8-14 | Black Rocket Staff | Fee: $149
Maple Woods | June 15-18 | 1-4 p.m.
Longview | July 20-23 | 1-4 p.m.

Code Your Own Adventure! Interactive Storytelling
Use web technologies to create an adventure game! Watch as the characters in your imagination come to life in this unique course that blends classic storytelling with animation techniques and coding. Start with a concept, design the characters, and choose not just one ending, but many! Learn how to create your own text-based adventure games with variables, conditional logic, images, HTML, CSS, and JavaScript. Students will work in pairs or teams for most of the program.

Ages: 8-14 | Black Rocket Staff | Fee: $149
Maple Woods | July 27-30 | 1-4 p.m.

LEGO® Films & Stop Action
Make your LEGO®s come to life! Bring in your favorite action figures or LEGO®s and create a short film with your friends. Whether you want to recreate a scene from Star Wars or design a world of your own, this class brings your dreams to the screen. Students will need to bring in their own LEGO®s or action figures from home, but all other equipment provided.

Ages: 8-14 | Black Rocket Staff | Fee: $149
Longview | July 6-9 | 1-4 p.m.
Maple Woods | July 13-16 | 1-4 p.m.
**Code Breakers**
Learn how to use code in making your ideas become reality! Calling all future coders, programmers, & designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be the next Mark Zuckerberg or the high school student who just made $1 million dollars for programming in her bedroom, this course has the essentials you need to begin your journey.

*Ages: 8-14 | Black Rocket Staff | Fee: $149*
*Maple Woods | June 29-July 2 | 9 a.m.-Noon*
*Longview | July 6-9 | 9 a.m.-Noon*

**Kids Photoshop**
Learn to use the powerful tools and capabilities of Photoshop Elements. Create cool effects including skin smoothing, eye color changes and filter effects (think Instagram) and, overall, make your snapshots look professional! Prepare pictures for Facebook and blogs, make collages, add text, and more! Basics like black and white, sepia and spot color will also be discussed. You’ll learn everything you need to know to take a picture from “just okay” to “fantastic!” Computer lab provided.

*Ages: 7-11 | Instructor: Debra Lawrence | Fee: $149*
*Longview | July 20-23 | 1-4 p.m.*

**Video Game Animation**
Dive into making sprites move around and animate in a video game! Take your game design to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character’s personality, signature moves, special powers, and a story line. Finish with a fully animated character to be used in future games. Students do not need any prior experience in game design, animation, or sketching.

*Ages: 8-14 | Black Rocket Staff | Fee: $149*
*Maple Woods | June 29-July 2 | 1-4 p.m.*

**Minecraft® Designers**
Fill a Minecraft® world with your own custom designs and creations! If you love the game Minecraft®, and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. Students must have a Java version of Minecraft®. Tablet, phone, and game console versions of Minecraft® are not compatible. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program.

*Ages: 8-14 | Black Rocket Staff | Fee: $149*
*Longview | July 20-23 | 9 a.m.-Noon*
*Maple Woods | July 27-30 | 9 a.m.-Noon*
Pet First Aid and Pet Care
You love your pets and want to keep them happy – providing a healthy lifestyle and being prepared to deliver first aid care for your pet is the best way to do that! Students will learn the basics in caring for cats and dogs through a variety of topics – from understanding and checking your pet’s vital signs, to preventative care for cats and dogs, to caring for the most critical emergency situations - including breathing and cardiac emergencies, wounds, bleeding, and seizures. Maybe you don’t have a pet yet but are thinking about getting one, learn what you should look for and what makes a good pet over not such a good pet.

Ages: 11-16 | Instructor: Joe Gilman | Fee: $140
Blue River | June 22-25 | 1-4 p.m.
Longview | July 6-9 | 1-4 p.m.
Maple Woods | July 20-23 | 1-4 p.m.

Kids Creative & Digital Photography
Do you want to be a photographer? Or just take better selfies? Learn the ins and outs of taking fantastic digital photos. Analyze and experiment with photographic techniques. You’ll learn basics like how to hold and aim a camera as well as how to frame the subject. Then enhance your skills while understanding focal points, background assessments, the famous rule of thirds, depth of field and freezing movement through hands on learning. Discover how light and exposure affects. Bring your own digital camera and let your imagination run wild!

Ages: 7-11 | Instructor: Netanya Stroud & Debra Lawrence | Fee: $149
Blue River | June 29-July 2 | 9 a.m.-Noon
Maple Woods | July 6-9 | 9 a.m.-Noon
Longview | July 20-23 | 9 a.m.-Noon

Kids Horseback Riding Camp
For school age children 6-17. All skill levels welcome. Youth will be placed in groups depending on their skill set. Each morning will start with a continental breakfast and a film about horses. We will have a brief discussion about safety and education about horses. Youth will groom the horses that will be used for leading. We will learn how to groom, lead, lunge line, ride and drive a horse. This camp includes a craft, scavenger hunt, and games. Lunch will be served.

Ages: 6-17 | Fee: $165.00
July 11-12, 2020 (2 day camp)
Saturday 9 a.m.-4 p.m. and Sunday 9 a.m.-2 p.m.
August 1-2, 2020 (2 day camp)

Liberty Farm Equestrian Center
2015 Hillview Rd., Liberty, MO 64068

Cook it Up a Notch
Cooking Class: Ever wonder how to make fancy breakfasts or restaurant quality meals? Come join us as we “Cook it Up a Notch” and learn how to prepare the ultimate breakfast, easy lunches, delectable dinners and scrumptious sweet treats. You will be a master chef before you know it and impressing your family & friends with your new found skills! Each session of “Cook it Up a Notch” is different and new recipes will be made. This class is not conducive to those with food allergies or sensitivities. Camp fee includes all cooking materials and food.

Ages: 10-14 | Instructor: Carla Drummond | Fee: $149
Maple Woods | June 22-25 | 9 a.m.-Noon
Maple Woods | June 22-25 | 1-4 p.m.

COLLEGE FOR KIDS
ENROLLMENT

Pre-enrollment is required for all classes.
Walk-ins are not accepted.
Enrollment is not complete without payment.

ENROLLMENT
Enroll online at mcckc.edu/collegeforkids.
Each student will need to register under their own name.

QUESTIONS AND ENROLLMENT HELP
816.604.3011

A WORD ABOUT WAITING TO ENROLL:
Every class has a minimum required enrollment. If this minimum is not met prior to the starting date, the class will be canceled. If you find a class you like, encourage a friend to join, too. Sometimes two or three people make the difference between “go” and “cancel.”

ENROLLMENT VERIFICATION
We will send an email confirmation of enrollment. We will notify you if a class which you are enrolled in has been canceled or is rescheduled.

REFUND POLICY
Our instructors are paid from fees collected, so we must guarantee a minimum enrollment to schedule a class. If it becomes necessary for you to withdraw from a class, please contact the college at 814.604.3011 at least five business days prior to the class start date to request a refund, minus a $5.00 processing fee. No refunds will be made for withdrawals fewer than five business days prior to the start of the class.

CLASSROOM ASSIGNMENTS/PARKING
Classroom assignments will be provided at check in. You may park in any area on campus designated as student parking.

SCHEDULE CHANGES
The information in this brochure is based on conditions at the time of printing and is subject to change. Classes may be canceled, combined or added, and instructor assignments, dates, times and or/locations may be changed at the discretion of the Community Education administration.

CANCELLATIONS DUE TO WEATHER
When Metropolitan Community College District cancels classes, your College for Kids class will not be held. Please be sure to listen to TV or radio announcements for cancellations. If you are unsure, you may call the college at 816.604.1000.

ACCOMMODATION
We will accommodate disabilities. Our Disability Support Services (DSS) offices will provide special assistance for any students with documented disabilities. To receive these services, you must inform the College of your disability one month in advance of your class and provide appropriate documentation. Please contact the College at 816.604.1000 and ask for the DSS office on your campus of interest.
