Discipline Policy / Parent-Guardian Agreement

The goal of College for Kids is to provide unique learning experiences in an environment conducive to enrichment and fun. Because students choose to participate, we rarely experience behavioral problems. Although College for Kids camps are less structured than traditional school classes, we do expect all students to respect classmates and instructors and to behave in a manner that facilitates the learning process. Behaviors such as name-calling, hitting, foul language, excessive noise, misuse/destruction of supplies, etc. will not be tolerated. When a student's behavior becomes disruptive to the class, the following steps will be taken:

1. The instructor will discuss the problem with the student, explaining the rules and acceptable behavior and asking questions to be certain the student understands his/her offense. The student will then be allowed to return to the activity.
2. If negative behavior continues or is repeated, the instructor will notify the program supervisor and the student will be placed in a designated TIME-OUT area for 15 minutes. The student may then return to the camp after he/she has made a satisfactory commitment to behave appropriately. The parent/guardian will be notified.
3. If the problematic behavior continues, and the student does not respond to opportunities to modify that behavior, the privilege to attend College for Kids will be withdrawn immediately. NO REFUNDS WILL BE ISSUED.

Parent/Guardian & Child/Teen Agreement
I have discussed the policies outlined above with my child and we understand that he/she must abide by the rules established by the College for Kids administration and instructors. I agree to accept and to comply with the conditions of the College for Kids discipline policy.
