

METROPOLITAN COMMUNITY COLLEGE

DISTRICT REGULATION

2.15020 DR

INSTITUTIONAL RESEARCH

2.15020 DR

Requests for the use of district student or human resource records for research will be reviewed by the director of research and approved by the officer responsible for student development or human resources as appropriate. This approval will be contingent upon the appropriateness of the research, the availability of resources for support, the protection of individual identity, and applicable federal and state law.

Institutional research will be reported to the chancellor by the vice chancellor who implemented the study.
