

THE METROPOLITAN COMMUNITY COLLEGES

DISTRICT REGULATION

2.20050 DR

ADVISORY COMMITTEES

2.20050 DR

To maintain a continuing relationship with the community, identify needs and develop programs to meet those needs, the chancellor shall authorize the appointment of advisory committees. These committees will be available to the district for consultation and advice.

The officers of the district will establish appropriate advisory committees, formulate the charge, describe the task, and appoint the members after consultation with the chancellor.

These committees will include minorities and females insofar as possible and will be chaired by an appropriate district employee.
