

WORKER'S COMPENSATION INSURANCE	Worker's Compensation is a state-mandated, "no-fault" insurance system that pays benefits to any covered employee who is either injured in a work-related accident or incurs a compensable occupation disease.
PURPOSE	This policy outlines the Missouri State law in place for Worker's Compensation.
APPLICABILITY	All employees and student-workers
OVERSIGHT	The Worker's Compensation Program shall be managed by Risk and Compliance and set forth in Worker's Compensation Procedure. Metropolitan Community College may discontinue, limit, reduce or change the worker's compensation program at any time.
POLICY MODIFICATION	This policy may be modified or revoked at any time at the sole discretion of MCC's Board of Trustees.
REFERENCE	3.40080 DP Worker's Compensation District Procedure
