CONSTRUCTION PROJECTS

5.05010 DR

In accordance with board policy, the vice chancellor of administrative services will solicit quotations and/or bids in accordance with the requirements of state laws and the State Coordinating Board for Higher Education for all projects approved by the board as follows:

- (1) Projects estimated to cost less than \$500 will not require bids. Quotations will be solicited from three or more contractors unless the vice chancellor of administrative services waives the requirement.
- (2) Projects costing more than \$500 will require public bids.
- (3) Projects costing more than \$2,500 will be advertised for two successive weeks in a newspaper of general circulation and contracts will be approved by the board and let to the lowest responsible bidder.
