SATISFACTORY PROGRESS OF FINANCIAL AID RECIPIENTS

7.25020 BP

The chancellor shall establish procedures to ensure that the district colleges comply with state minimum standards dealing with certification of veterans and other eligible persons as required by Veterans Administration Regulation 14253 (D) of Section 1775, Title 38, United States Code, and other applicable federal and state requirements relating to certification of financial aid recipients. Such procedures shall pertain only to the respective college systems of reporting to the Veterans Administration or other federal or state authority as required for administrative purposes. Such data will not be used to supplant the general district eligibility requirements for continued enrollment.
