

METROPOLITAN COMMUNITY COLLEGE

BOARD POLICY

7.25040 BP

INSTITUTIONAL AWARDS AND GRANTS

7.25040 BP

The Board of Trustees authorizes the granting of fee waivers to those students who meet the Metropolitan Community College admission standards. These waivers shall be authorized for scholarships, targeted recruitment grants, student development and academic development grants.

- I. Scholarships will recognize students who demonstrate excellence in their respective educational or training endeavors.
- II. Student development grants will recognize students who demonstrate potential for achievement through leadership and personal involvement in college activities.
- III. Academic development grants will recognize students who demonstrate a need for financial support in order to benefit from the services of the institution.

Institutional scholarships and grants shall be awarded in accordance with guidelines approved by the chancellor.

Guidelines will not be significantly changed in regard to how and to whom scholarships are awarded or how allocation of campus funds will be distributed without prior senate review.
