

TRANSFER GUIDE

AAS CRIMINAL JUSTICE- POLICE SCIENCE EMPHASIS @ MCKC
BA CRIMINOLOGY @ WEBSTER U.

2016-2017

Blue River | Business & Technology | Longview | Maple Woods | Penn Valley

USING THIS GUIDE:

This guide outlines a path for degree completion at Webster University for the **Bachelor of Arts in Criminology** for students entering with an **Associate of Applied Science degree in Criminal Justice- Police Science emphasis** from Metropolitan Community College.

ABOUT CRIMINOLOGY MAJOR AT WEBSTER:

The mission of the major in criminology is to provide students with a multidisciplinary approach to crime and deviance, with particular emphasis on providing critical thinking skills and familiarizing students with the dominant ways professionals use to explain, predict, and prevent crime and victimization.

WEBSTER ADMISSION REQUIREMENTS:

Applicants to Webster's degree completion programs should have successfully completed an associate degree or at least two years of college-level work (64 semester hours) with a cumulative grade point average (GPA) of 2.5 on a 4.0 scale. Transfer coursework should include at least one college-level writing/composition class and one college-level mathematics course. While the above profile is recommended, each applicant will be given a thorough individual review. When considering an application, Webster looks for evidence of potential for academic success.

Each transfer applicant must submit:

- A completed [Application for Admission](#)
- \$35.00 non-refundable application fee
- An official transcript from Metropolitan Community College, and an official transcript from all other postsecondary institutions previously attended mailed to:

Webster University
Office of Admission
470 East Lockwood Avenue
St. Louis, MO 63119

Notes: Application and transcripts should be completed at least one month prior to the desired date of enrollment. Applications submitted less than two weeks before the start of the term may not be reviewed in time for registration for that term. Please contact the Kansas City Metro campus for specific deadlines and entry dates. Students intending to apply for financial aid should note that earlier deadlines are required.

WEBSTER DEGREE REQUIREMENTS:

A minimum of **128** credit hours consisting of the following:

- Applicable University Global Citizenship Program hours
- 43 required credit hours for the major
- 3 credit hours international language requirement[^]
- Electives

[^]INTERNATIONAL LANGUAGE REQUIREMENT:

In addition to the required courses in the major, students are required to have three credit hours in a non-native

language (expertise demonstrated by coursework or testing). Courses used towards the International language requirement may also be used to fulfill general education/GCP requirements or a major/minor in a foreign language. Students whose native language is not English and who are studying in English will be considered to have achieved their foreign language requirement if they successfully pass an ESL test of their English proficiency (e.g., TOEFL).

IMPORTANT TRANSFER NOTES:

- Webster has a minimum residency requirement that 30 of the student’s last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- **Transfer students can apply up to 15 credit hours of approved coursework in the major from another institution.** Students may transfer in 3 credit hours of approved foreign language coursework to meet the International language requirement.
- Criminology majors must take a minimum of 18 hours at the 3000-level, of which 6 hours must be 4000-level.
- Criminology and criminal justice courses taken more than 10 years ago will not count toward required courses in the criminology major.
- Students must earn a grade of C- or better in any course they wish to apply toward the major or general education/GCP.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded by a regionally accredited institution. While students with associate degrees typically transfer 60-64 credit hours, Webster will transfer in all coursework that is part of the completed associate degree. Transfer of additional lower-division credit beyond the associate degree is restricted. All transfer credit is capped at 98 credit hours.
- All transfer coursework must be college-level (100-level or above) with a passing grade. Pass/Fail courses will count for transfer credit if the student received a Pass. For repeated courses only the second grade will be counted. Incomplete grades are not accepted in transfer. Courses completed with a grade of D have severe transfer restrictions. Formal evaluation of transfer credit is conducted by the Office of the Registrar upon admission to the University.

GENERAL EDUCATION/GLOBAL CITIZENSHIP PROGRAM:

Webster University requires all baccalaureate students to complete a general education program. The University has implemented a new set of general education requirements. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

Students completing the Associate of Applied Science degree will have previous credits reviewed on a course-by-course basis for applicability to the GCP. See [Webster’s Transfer Equivalency Database](#) for listing of MCCKC courses acceptable toward meeting these requirements.

2+2 ARTICULATION FOR AAS DEGREE TO BA DEGREE

The next section will identify how courses taken as part of the Associate of Applied Science degree in Criminal Justice-Police Science will apply to the Criminology degree at Webster, and what requirements will be remaining to earn the Bachelor of Arts in Police Science at Webster University.

ELECTIVES:

Elective hours can consist of any college-level courses that are not already being applied to the major or global citizenship program requirements of the degree, taken to reach the required 128 hours for graduation. Many students may choose to obtain a minor out of the required elective hours. Please keep in mind that any course applied to a minor must be taken at Webster University, with a grade of C- or better.

Webster University reserves the right to correct errors in these listings or to make revisions in degree requirements or course equivalencies without prior notice.
