

PROGRAM OVERVIEW

MCC-Penn Valley Jump Start Summer Bridge Program in partnership with TRIO-Student Support Services is a college readiness program designed to support incoming first-year students, increase college success skills, and make connections with peers, faculty, and staff.

After program completion participants will be prepared to be successful inside and outside of the classroom.

PROGRAM BENEFITS

- Cohort-model designed to increase success
- Free 1-Credit hour course (career exploration seminar) and materials
- Individualized support services
- Free Math & English Boot Camp
- Group and individual tutoring support
- Refreshments provided
- Access to life and academic skill workshops
- Introduction to campus resources
